EDUCATION

Degree/Grade	Institution	Score
B.Tech in IT(2nd year)	ABV-IIITM (Gwalior)	8.03/10 CGPA (After 3 rd Semester)
Intermediate	Narayana Junior College (Hyderabad)	98.2% (2023)
Secondary School	Ekashila (Warangal)	95.8% (2021)

SKILLS

C++

Excellent coder in cpp.

HTML, CSS, Javascript, MongoDB, NodeJS, Git and Github

Have good knowledge on all the above mentioned skills.

EXPERIENCE

Coding Contests

- Attended many coding contests in various platforms such as leetcode, CodeChef, and Codeforces through which I have improved a lot and made my brain sharper in terms of logical thinking.
- Rating on CodeChef – 1552
- Rating on LeetCode – 1508

AWARDS

Distinction in International Maths Olympiad (IMO-2018)

LANGUAGES

English, Telugu and Hindi.

PROJECTS

Database – Normalisation

Made a project to decompose a relation to the highest normal form in a relational database.

OOPS – E-commerce

Made a project by using object-oriented programming concepts in cpp with more focus on using classes and inheritance concepts by taking help from internet sources.

To-Do List – Web application

My first project was a web application used to note the tasks that remained and were completed. It mostly involved HTML, CSS, and some Javascript.
